- Discover the 3 keys to open the door to greater intimacy.
- Witness & celebrate your unique partnership in a way that will enrich your days.. and nights!
- DATE nights will never be the same!

Cost: \$30 per person, \$50 per couple

Let's face it, we lead busy lives.

In meeting the demands of our roles as parents, employees, children, and partners, we find little quality time to dedicate to those we love the most. And yet it can be what we desire the most as human beings.

Come spend an evening of inspiration for you and your partner.

**Don't let "busy" get in the way. Reserve your space now!**

#### About the Leaders:

Belinda has been talking with women & couples about intimacy and sexuality for over 28 years. She is a graduate of the Coaches Training Institute (CTI) and is on the faculty of the Institute for Ecstatic Living where she leads tantra workshops. In the last 3 years Belinda has completed over 2000 hours in workshops and trainings focusing on intimacy, relationships and communication. Working as a tantra teacher and life coach, Belinda helps her clients to step into their power, and open to the joy of a spiritual life connection - a path Belinda continues to travel herself. She met Trish while participating in CTI's Co-Active Leadership Program.

Trish has a presence that invites others into the discovery and wonder of life and themselves. The wisdom of her own inner truth has directed her through an adventurous journey, and has been instrumental in creating a life filled with joy, passion, commitment and thirst for "what's next?" Her company, Leap Into Life Inc. is dedicated to partnering with individual and corporate clients to reach for the expression of their full potential. She is a Certified Professional Co-Active Coach, receiving her training through the Coaches Training Institute (CTI) and is currently enrolled in CTI's Co-Active Leadership Program. She is excited to welcome Belinda as her partner in the delivery of this unique event.
